

Workshop Theme

Maritime Energy Manager - New Education Programmes

This workshop is sponsored by the European Union (EU) to support a new EU funded project MariEMS. The workshop is expected to bring together Marine Engineer Professionals from across the regions in order to gather feedback and industry responses to the newly developed MariEMS Energy Manager Job Specification and Training Programme.

This Workshop is a Free and Open Event - No Registration Fee

Location: Warwick Manufacturing Group Building, Room 004,
Off University Road, Coventry, CV4 7AL

Registration & Questions: Mr A. Myatt myatt72@btinternet.com

Please pass the invitation to your colleagues who may be interested in attending.
